After this date, no further stabilizing action may be taken, and demand for the Shares and the price of the Shares could fall.

Potential investors of the Offer Shares should note that the Overall Coordinators (for themselves and on behalf of the Hong Kong Underwriters) shall be entitled to terminate the Hong Kong Underwriting Agreement with immediate effect upon the occurrence of any of the events set out in the section headed “Underwriting – Underwriting Arrangements and Expenses – Hong Kong Public Offering – Grounds for Termination” in the Prospectus at any time prior to 8:00 a.m. (Hong Kong time) on the Listing Date (which is currently expected to be on Tuesday, December 12, 2023).

Notes:

The Global Offering comprises:

- the Hong Kong Public Offering of initially 3,200,000 Offer Shares (subject to reallocation), representing 10% of the total number of Offer Shares initially available under the Global Offering, and
- the International Offering of initially 28,800,000 Offer Shares (subject to reallocation and the Over-allotment Option), representing 90% of the total number of Offer Shares initially available under the Global Offering.

The allocation of the Offer Shares between the Hong Kong Public Offering and the International Offering will be subject to reallocation as described in the section headed “Structure of the Global Offering” in the Prospectus.

In particular, subject to the requirements under Practice Note 18 of the Listing Rules and Guidance Letter HKEX-GL91-18 issued by the Stock Exchange, the Overall Coordinators (for themselves and on behalf of the Underwriters) may, at their sole discretion, reallocate Offer Shares from the International Offering to the Hong Kong Public Offering to satisfy valid applications under the Hong Kong Public Offering. In accordance with Guidance Letter HKEX-GL91-18 issued by the Stock Exchange, if such reallocation is done other than pursuant to the clawback mechanism as described in the section headed “Structure of the Global Offering – The Hong Kong Public Offering – Reallocation and Clawback” in the Prospectus, the maximum total number of Offer Shares following such reallocation shall not exceed 6,400,000 Offer Shares, (representing two times the number of Hong Kong Offer Shares initially available under the Hong Kong Public Offering and 20% of the Offer Shares initially available under the Global Offering) and the final Offer Price shall be fixed at the low end of the indicative Offer Price range (i.e. HK\$8.80 per Offer Share) as stated in the Prospectus.

Under the International Underwriting Agreement, the Company is expected to grant to the International Underwriters, exercisable by the Overall Coordinators (acting in such capacity and on behalf of the International Underwriters), the Over-allotment Option, exercisable within 30 days from the last day for lodging applications under the Hong Kong Public Offering (the last day for exercise of the Over-allotment Option being Saturday, January 6, 2024) to require the Company to issue up to an aggregate of 4,800,000 additional Shares, representing in aggregate 15% of the total number of Offer Shares initially available under the Global Offering, at the Offer Price to cover the over-allocations in the International Offering, if any.

If the Over-allotment Option is exercised in full, the additional International Offer Shares to be issued pursuant thereto will represent approximately 1.02% of the enlarged issued share capital of the Company immediately after the completion of the Global Offering and the exercise of the Over-allotment Option. In the event the Over-allotment Option is exercised, we will make an announcement which will be posted on the website of the Stock Exchange (www.hkex.com.hk).
